

Hi

Saffie pawditioned at the Capitol Theatre along with many other dogs. The criteria was they had to be trained, non pedigree and get on with other dogs and children. This was made for Saffie as she lives to play in the park with every dog she sees.

She made the cut with 10 other dogs and will be performing 4 shows per week. One person was overheard saying that Saffie was awesome in her pawdition. We think she is awesome all the time. Rehearsals start next week.

I have attached a pawdition photo and a recent photo. Will keep in touch Jenni
