- **Heartworm:** Your pet has been treated for heartworm, not tested for heartworm. Please consult your vet regarding your pet's ongoing heartworm treatment.
- **Desexing:** If your dog or cat has not been desexed for age or other reason at the time of adoption, and you must arrange to have your pet desexed with Rocky's K9 Rescue at a later date, and you must use one of our approved vets. Should you decide to use your own vet, it will be at your own expense. Your pet must be desexed and proof of desexing is required by Rocky's K9 Rescue.
- **Sleeping:** Adequate bedding must be provided i.e. soft bedding or trampoline bed on concrete.
- **Bathing:** Dogs should be bathed regularly in tepid temperature water. Please clean inside of ears gently with dog ear cleaner or baby wipe.
